1. Agreement

These (the FXLINK Corporation Terms and Conditions) are entered into by and between FXLINK Corporation and you as the user or customer or client (hereinafter the “Client”). These Terms together with the Application Form are the basis of our relationship and are to be read in conjunction with all other policies and legal documents provided directly and/or published on the website.

Any additional terms and conditions issued by FXLINK Corporation and expressly stated to be an integral part of these (as available on the Website and whether or not referred to herein) describe the terms and conditions applicable to the contractual relationship between FXLINK Corporation and the Client (the “Agreement”). FXLINK Corporation reserves the right to change any such terms without formally or expressively updating the Client. The Clients agree and acknowledge it is their responsibility to continually familiarise themselves with such terms at any given time.

2. FXLINK Corporation website address is:

[https://www. fxlinks.com](https://www.fxlinks.com) (the “Website”).

3. Risk Warning

Before entering into this Agreement, the Client should carefully read and consider the Risk Disclosure, which is available on the Website. The Risk Disclosure sets forth the particular risks of investing in foreign exchange and contracts for differences (CFDs). FXLINK Corporation will consider the request to open an account by the Client and its acceptance of this request, as unequivocal evidence that the Client has read and is prepared to accept the risks set out in the Risk Disclosure which is helpful but does not describe all of the risks related to trading in contracts for differences. It is the Client’s responsibility to make sure it is fully aware of all these risks and to take appropriate advice, if necessary, before entering into this Agreement.

4. Conflict of Interest Policy

The Client should be aware that, when providing investment services to the Client under this Agreement, FXLINK Corporation will have interests (including interests deriving from duties we owe other clients or parties) in conflict with the Client's interests, and some conflicts could not be effectively avoided or mitigated without altering the discretionary nature of the prices quoted by us. Indeed, by trading in contracts for differences, the Client will make gains or incur losses as a result of a difference in prices (or exchange rates, as applicable) at which trading positions are respectively opened or closed. For more comprehensive explanations regarding conflicts of interest please refer to the Conflicts of Interest Policy, available on the Website.

5. Services covered by the Agreement

This Agreement will only apply to the services described in Section 2. Other activities carried out by FXLINK Corporation – within the investment and ancillary services contemplated by Section 1.2 - fall outside the scope of this Agreement. Should FXLINK Corporation at any subsequent point offer the services of investment advice and portfolio management, then it shall only do so on the basis of and in accordance with the provisions of an express written agreement. In the absence of such express written agreement, no statement, act or omission of FXLINK Corporation or any person representing FXLINK Corporation shall be deemed to constitute investment advice.

6. Charges and Commissions

All charges and commissions of FXLINK Corporation applicable under this Agreement are set out in the Rates Schedule.

7. Amendments to the Agreement

This Agreement (including any Appendices) may be amended by FXLINK Corporation, in whole or in part, from time to time as set forth in Section 6.14. (i) entering into spot contracts for differences with the Client on currencies, indices, precious metals, oil, commodities, and financial instruments and products as listed in Underlying List (respectively, “Contracts” or “trading positions” and the “Underlying”) acting as principal and not as a Client’s agent; and

(ii) receiving and transmitting orders relating to Contracts to other investment firms or authorized intermediaries acting on behalf of the Client.

2.2 Unless otherwise expressly agreed to in writing, FXLINK Corporation shall provide the Services under Section 2.1:

(i) by fulfilling Client’s orders as a Straight Through Processing (‘STP’) Broker but not on behalf of the Client. FXLINK Corporation shall quote (either through the Platform or otherwise) the price (or exchange rate, as applicable) at which the Client is willing to enter into a particular Contract and the Client may decide whether or not to enter into such Contract at the price (or exchange rate, as applicable) quoted by FXLINK Corporation and on the terms contemplated by this Agreement as well as all other Legal Documents that shall govern such actions.

(ii) FXLINK Corporation shall not provide the Client with any tax or other advice in relation to the Orders placed under this Agreement or any other agreement for that matter, the Contracts or otherwise in connection with this Agreement. The Client may wish to seek independent advice before entering into this Agreement and placing any Orders or entering into any Contracts under this agreement. The Client hereby represents and undertakes that it has access to independent financial and legal advice or it is capable of making its own decisions in this respect and that no reliance is placed on any information provided by FXLINK Corporation or any representative of FXLINK Corporation or any act or omission thereof in making its investment decisions.

(iii) The Client acknowledges and agrees that the Services offered pursuant to these terms shall be on an execution only basis. No statement, act or omission of FXLINK Corporation or any person representing FXLINK Corporation shall be deemed to constitute investment advice, a personal recommendation or advice on the merits of a transaction. Any news, prices, opinions and any other information which may be provided to the Client are simply provided to enable the Client to make its own investment decisions and do not constitute personal investment advice.

(iv) In particular, and without prejudice to the generality of the above, no statement made in relation to the performance of any financial instrument and no trading method or trading idea shared with the Client shall be deemed to constitute advice or a personal recommendation.

3. The Client shall enter into this Agreement as a principal and not as an agent for any other person unless otherwise agreed to in writing by FXLINK Corporation.

4. The Client acknowledges and agrees that FXLINK Corporation will carry out its trading business 24 hours a day, 5 days a week, from Sunday at 10 pm GMT through to Friday at 10 pm GMT or during such other trading hours as are disclosed on the Website, as applicable in relation to each Underlying or market. Subject to Section 2.6 and to the terms of this Agreement generally, FXLINK Corporation will only quote prices and accept Orders or instructions in respect of any Contract during those hours.

5. Where, in FXLINK Corporation's reasonable opinion, a public holiday in any jurisdiction affects the relevant underlying market, FXLINK Corporation shall not be obliged to quote prices and will not accept Orders or instructions in respect of any Contract related to that market. FXLINK Corporation shall, from time to time, give reasonable notice of such public holidays and the affected Contracts on its website and/or within the Platform. In some cases, Contracts may only be traded during the time when the relevant exchange, where the Underlying is traded, is open. Where trading relates to any such Contract, FXLINK Corporation shall not be obliged to quote prices and will not accept Orders or instructions during any time when the relevant exchange is closed for business. FXLINK Corporation shall endeavor to inform the Client of the Contracts that are subject to such limited trading hours on its website and/or within the Platform.

6. Any change to the trading hours or other information contemplated by Sections 2.5 and 2.6 shall not be treated as an amendment to this Agreement and shall take effect as and when the relevant determination of FXLINK Corporation or event occurs with no need for prior notice to the Client (without prejudice to the obligations of FXLINK Corporation under Section 2.6).

7. The Client acknowledges and accepts that in cases where FXLINK Corporation is required to do so under the Applicable Provisions and/or applicable and accepted market practice, or where this is required by any counterparty or service provider of FXLINK Corporation through which the FXLINK Corporation makes available an Electronic Trading Platform or through which FXLINK Corporation provides Services to the Client, FXLINK Corporation may disclose to such parties information relating to the Client and/or the Services provided and/or Transactions carried out with or for or on behalf of the Client, and the Client shall provide FXLINK Corporation for this purpose any information which FXLINK Corporation deems to be reasonably necessary. Such disclosures shall be made by FXLINK Corporation for the purposes of fulfilling its contractual obligations, its obligations under the Applicable Provisions, for the purpose of enabling such counterparty or service provider to comply with their obligations under the laws and regulations which apply to them and for the purposes of satisfying the requirements of any Exchange.

8. In cases where direct disclosure by the Client is required to be made to any Exchange, clearing house or regulatory or governmental authority, or to any service provider of FXLINK Corporation through which the FXLINK Corporation makes available an Electronic Trading Platform or through which FXLINK Corporation provides Services to the Client, then the Client shall be responsible for, and shall proceed in making, such disclosure.

2.9 Without prejudice to the generality of the above, in cases where any counterparty or service provider of FXLINK Corporation through which FXLINK Corporation makes available an Electronic Trading Platform or through which FXLINK Corporation provides Services to the Client makes an inquiry in respect of any Transaction of the Client, or where an Exchange or any regulatory body or other competent authority makes an inquiry in respect of any Transaction of the Client, the Client undertakes to co-operate with FXLINK Corporation in promptly supplying such information and take or refrain from taking such action as FXLINK Corporation deems reasonably necessary in connection with such inquiry.

3. ACCOUNT

1. The Client shall open an account with FXLINK Corporation (the “Account”) before placing any Orders or instructions or entering into any Contract with FXLINK Corporation under this Agreement. No Orders can be placed, and no Contract may be entered into until an Account is opened and cleared funds have been deposited in accordance with this Agreement as well as the Client has concluded all KYC requirements as per the relevant KYC procedures outlined during the onboarding procedure.

3.2 For opening an Account, the Client must complete and sign the Application Form, as well as sign this Agreement for acceptance (subject to FXLINK Corporation’s rights under Sections 3.3. and 3.4.) Following receipt of the Application Form and the additional documents indicated above, FXLINK Corporation may carry out all the searches and enquiries that FXLINK Corporation deems to be appropriate from time to time to assess the Client’s creditworthiness, including, without limitation, checks from banks, credit reference agencies, and other reputable sources. FXLINK Corporation may use credit- scoring methods to assess the Client’s Application Form, to verify the Client identity and to consider any changes to the way in which the Client operates the Account. The information may be also used for debt tracing and the prevention of money laundering or terrorism financing as well as for the management of the Account. The Client authorizes FXLINK Corporation to use the information to perform the above checks in relation to the Application Form and this Agreement generally.

3. The Client shall at all times comply with all Applicable Provisions concerning money laundering, bribery, corruption, and financial crime, as well as any other legislative provisions applicable to the Client in its own jurisdiction concerning money laundering, bribery, corruption, and financial crime. The Client is under an obligation to provide to FXLINK Corporation such documentation as the FXLINK Corporation may reasonably require for the above purpose in accordance with the FXLINK Corporation’s compliance policies and procedures at the outset of the client relationship as well as on regular intervals thereafter. The Client undertakes to inform the FXLINK Corporation of any change in any such information or documentation provided by the Client for these purposes.

4. The Client shall inform FXLINK Corporation in writing immediately of any material changes to the information provided to FXLINK Corporation by means of the Application Form, for example in relation to contact details or any adverse matter relating to the Client’s financial status. FXLINK Corporation shall have no liability to the Client for any action or omission of FXLINK Corporation pursuant to the provisions of this clause 3 even if the Client has informed FXLINK Corporation of the loss or damage to be suffered by the Client.

5. FXLINK Corporation may or may not accept the Application Form. If the Application Form is accepted by FXLINK Corporation, the Client shall be notified of the Account number and invited to make an initial deposit in accordance with the instructions contained in the Application Form and any other operative indications available on the Website (the “Initial Deposit”). Without prejudice to the right of FXLINK Corporation to refuse to enter into any agreement for the provision of Services to any Client or prospective client, FXLINK Corporation may refuse to offer any Services unless all

documentation required in order to comply with money laundering legislation and FXLINK Corporation’s internal policies is obtained in a form and content satisfactory.

6. The Client may only start trading with FXLINK Corporation after the Initial Deposit is credited to the Client's Money bank account of FXLINK Corporation as set out in Sections below , however FXLINK Corporation may at its discretion authorize the Client to trade immediately for up to 2 business days preceding the date of crediting of the Initial Deposit if satisfactory evidence of the wire order is available to it by loaning part or the full amount of the deposit made.

7. The Account shall be opened in the name of the Client (as shown on the client's valid recent ID/Passport). The Client may also open one or more additional Accounts in its own name. If the Client opens two or more Accounts, FXLINK Corporation will treat such Accounts separately subject to the provisions of this Agreement, and any reference to the Account contained herein shall be deemed as a reference to a single Account and not to all Accounts taken together.

8. At the Client’s request, FXLINK Corporation may, in its absolute discretion, agree to treat two or more Accounts opened by the Client as a single Account, giving notice to the Client in writing. In such a case, any reference to the relevant Account contained in this Agreement shall be deemed as a reference to all Accounts so aggregated by FXLINK Corporation.

9. The Client may appoint another person to trade on the Account (the “Authorized Representatives”), giving Orders and/or instructions to FXLINK Corporation on behalf of the Client. The Client will need to complete the Authorized Representatives relevant form available by contacting us. Any variation in the person who is authorized by the Client to trade on the Account shall be notified in writing to FXLINK Corporation.

10. Any such amendment in relation to the Authorized Representatives shall only take effect once it is effectively communicated to the FXLINK Corporation in accordance with clause “Notices and Communication” below and provided that all due diligence documentation required by FXLINK Corporation in relation to these persons for the purpose of compliance with its “know your customer” obligations is provided in form and content acceptable to the FXLINK Corporation.

11. No liability whatsoever shall arise on the part of FXLINK Corporation for accepting any trading instructions by any Authorized Representative authorized by the Client to give trading instructions ,unless the termination of such authority is notified to FXLINK Corporation in accordance with the provisions of clause “Notices and Communication” below prior to the relevant instruction being given, and the Client undertakes to keep FXLINK Corporation fully indemnified in the case of any direct or indirect, actual or contingent loss resulting from failure of the Client to notify FXLINK Corporation of such termination of authority.

12. For the avoidance of doubt, the appointment of the Authorized Representatives shall not prevent the Client from operating the Account directly and FXLINK Corporation may not be required to reject or disregard Orders or instructions of the Client in reliance on agreements

reached by the Client and the Authorized Representatives, if any, which shall not be binding on FXLINK Corporation.

13. FXLINK Corporation shall be authorized to act upon the oral, written or electronic instructions transmitted by the Authorized Representatives or by a person who appears to be the Client or the Authorized Representative even if that person is neither the Client nor an Authorized Representative. In particular, FXLINK Corporation shall be entitled to carry out any instructions or Orders transmitted using Client's username, password and Account number. The Client may request FXLINK Corporation to make payments to the Authorized Representative by debiting the Account to the extent cleared funds are available at the time of the request.

14. All gains, earnings, losses, costs and liabilities made or incurred by the Client under or in relation to any Contract or any Service provided by FXLINK Corporation or otherwise in connection with this Agreement (including commissions charged by FXLINK Corporation hereunder and exchange gains or losses under Section 3.13) shall be credited or debited to the Account, as applicable.

15. The Client may, at any time, withdraw funds from the Account. The amount requested must be available funds, with these available funds subject to the current margin requirements of open positions. FXLINK Corporation may, at its discretion, elect to withhold payment (or deduct an amount from it, as applicable) if:

(i) Open Contracts show notional losses;

(ii) The relevant funds may reasonably be required to meet future Margin requirements due to underlying market conditions;

(iii) The Client has any contingent liability to FXLINK Corporation in respect of any other Account;

(iv) FXLINK Corporation is required by applicable law or regulations to deduct or withhold such payment;

or

(v) There is an unresolved dispute between FXLINK Corporation and the Client in connection with this Agreement or any related contract.

3.16 The relevant payments shall be made by FXLINK Corporation in accordance with Section

3.17. No payment shall be made by FXLINK Corporation to any third party (other than Authorized Representatives, as applicable) out of the Client's Account.

3.18 The Client shall give notice of Client Deposits and submit withdrawal requests to FXLINK Corporation using a form available on its website to be sent to FXLINK Corporation by facsimile or email.

4. MARGIN

1. The Client shall at all times ensure that the balance of the Account is equal to or greater than the sum of all Client Deposits required by FXLINK Corporation (each a "Margin") in relation to open Contracts and any other exposure of the Client related to a Service provided by FXLINK Corporation. The margin requirement needed in relation to each trading position is available under

the trading specifications of each product. FXLINK Corporation may vary the Margins in its absolute discretion at any time and the new Margins shall be disclosed as indicated above and shall apply immediately to any new trading position opened by the Client. If FXLINK Corporation notifies the Client in writing of the new Margin requirements; these shall also apply immediately to all trading positions of the Client, which were already open at the time of such notice.

4.2 The Client acknowledges and agrees as follows:

- (i) The balance of the Account must at all times satisfy the Margin requirements established in accordance with Section 4.1;
- (ii) Section 4.3 shall apply in determining whether the above Margin requirements are satisfied;
- (iii) The Client must at all times monitor the Account balance against the Margin requirements;
- (iv) FXLINK Corporation may, but shall not be obliged to, inform the Client that the Account balance is insufficient to meet the Margin requirements in relation to existing trading positions and/or for the opening of any new trading position;
- (v) Failure to meet the Margin requirements constitutes an Event of Default and may have adverse consequences for the Client under this Agreement; and
- (vi) The Margin requirements are not intended to represent the Client's entire liability in relation to open trading positions.

4.3 The Client's open trading positions shall be marked to market on an on-going basis during trading hours. The Client acknowledges and agrees that the Account balance may become insufficient due to:

- (i) the market moving against the Client on one or more open trading positions (as a result of which mark-to-market losses will be entered in the Account);
- (ii) FXLINK Corporation re-setting Margin requirements (subject to Section 4.1); and
- (iii) The Client is allowed to trade by FXLINK Corporation notwithstanding Margin requirements are not met. If the Account balance becomes insufficient to meet Margin requirements, then FXLINK Corporation.
 - (a) shall not accept new trading orders (however FXLINK Corporation may permit the Client to trade, in its absolute discretion, without prejudice to any rights and remedies of FXLINK Corporation under this Agreement which will not be deemed to be waived by this decision);
 - (b) May but shall not be required to claim the deposit of additional Margins by the Client; and (c) Shall have a right to close one or more open trading positions of the Client as necessary to reduce Margin requirements below the Account balance.

4.4 The Client acknowledges and agrees that:

- (i) the Platform settings may automatically stop trading activities which would result in a breach of Margin requirements (without prejudice to all rights and remedies of FXLINK Corporation under this Agreement where the automatic stop mechanisms fail to work properly or FXLINK Corporation elects to permit the Client to trade) or in cleared funds in the Account reducing below a set percentage of the Margin requirements; and

(ii) close-out of open trading positions will be made starting from those showing the largest losses (however FXLINK Corporation may change this close-out Order as it sees fit in its absolute discretion from time to time).

5. Upon opening a Transaction, the Client will be required to make payment of Margin and to maintain such Margin Level as may be required at all times until and subject to close out or termination of the relevant Transaction. The Margin payments required vary depending on the nature and contract value of the Transaction. Details regarding the Margin requirements applicable to each financial instrument or type of Transaction (including minimum margin levels and close-out levels) are set out in a separate addendum which the Client must acknowledge and accept before any Margin may be made available. If the Client chooses to trade with FXLINK Corporation on any Electronic Trading Platform which FXLINK Corporation makes available to the Client, the provisions contained in any Special Terms and Conditions, which apply in respect of such Electronic Trading Platform, will also apply and shall prevail in the event of any conflict between such Special Terms and conditions and the provisions of these General Terms and Conditions and/or separate margin addendum. The Client's obligation to comply with the Margin requirements and maintain the relevant Margin Level as this applies to the Client's open positions under all the Client's Transactions, is a continuing obligation to which the Client is subject throughout the period during which a Transaction is open and exists independently or whether or not FXLINK Corporation provides the Client with any warning as to the Client's obligation to maintain the relevant Margin Level and the consequences of the Client's failure to do so.

6. Where FXLINK Corporation effects or arranges a Transaction, the Client shall comply with the Margin requirements applicable to such Transaction. The Client's failure to do so will constitute an Event of Default and will trigger close out of the Client's position in respect of which the Client has failed to make payment of the required Margin.

7. The Client is solely responsible for monitoring his/her position in respect of any Transaction and remaining informed at all times regarding the amount of Margin which may be payable by the Client at any given point in time. FXLINK Corporation is under no obligation to contact the Client or give the Client any oral or written warning as to its failure to comply with the applicable Margin requirements. FXLINK Corporation shall under no circumstances be liable for any direct or indirect or indirect loss suffered by the Client as a result of the Client's failure to make timely payment of Margin amounts due by the Client.

8. Margin must be paid in freely available cleared funds, in such currency as is acceptable to FXLINK Corporation. In the absence of fraud or gross negligence on the FXLINK Corporation's part, FXLINK Corporation shall have no responsibility regarding the consequences of any failure of a Margin payment to be made to FXLINK Corporation, within the required timeframes, in freely available cleared funds.

9. FXLINK Corporation may vary the required Margin and Close-Out Level by providing 10 (ten) calendar days prior notice in accordance with the provisions of the relevant client agreements. FXLINK Corporation may vary the required Margin without prior notice where the following circumstances arise, or it is reasonably likely or possible that they may arise:

1. severe disruption in the financial market or material adverse changes which may affect one or more Transactions,
2. any developments or news or events which may have a material adverse effect on one or more Transactions

3. significant volatility affecting one or more Transactions,
4. any significant changes to the Client's circumstances or the laws and regulations to which the Client is subject, which may significantly impact any one or more open Transactions between the Client and FXLINK Corporation.
9. If there is an Event of Default or the relationship between the Client and FXLINK Corporation terminates, FXLINK Corporation shall set-off the balance of Margin owed by FXLINK Corporation to the Client against the Client's financial obligations to FXLINK Corporation (as reasonably valued by FXLINK Corporation). The net amount, if any, payable between us following such set-off as may be made pursuant to these terms.
10. The provisions of this clause "Margin" are without prejudice to any other rights which the FXLINK Corporation may have under these terms.

5. TRADING

1. Upon opening the Account, FXLINK Corporation shall provide the Client with a User ID and an Account number. The Client shall set its username and password (the "Access Codes") to access the trading platform of FXLINK Corporation (the "Platform"). The Client can change its password at any such time as the Client deems it necessary. The Access Codes may only be used by the Client or the Authorized Representatives (if appointed) to the exclusion of any other person. The Client shall not disclose the User ID, the Account number and the Access Codes (collectively, the "Account Access Information") to any person (but the Client may disclose the Access Codes to the Authorized Representatives, if appointed) and shall use best efforts to preserve (and ensure that the Authorized Representatives, if appointed, preserve) the full confidentiality of the Access Codes. The Client shall inform promptly FXLINK Corporation in writing if the Client knows or suspects that any unauthorized person has acquired (or has attempted to acquire) knowledge of the Account Access Information.
2. FXLINK Corporation may rely on any access to the Platform with the Access Codes as being made by the Client or the Authorized Representatives (if appointed). In order to protect your computer and person data, FXLINK Corporation recommends the use of anti-virus software with regular updates and scans being carried out. FXLINK Corporation is not responsible for access gained to the Platform through the Client's password being 'stolen' through a virus or other such software. FXLINK Corporation strongly recommends against the use of password management software (whether browser based or third- party software). Any access to the Platform, gained through such software, will be the Client's responsibility, regardless of whether the Client authorizes this. Furthermore, FXLINK Corporation strongly recommends locking devices when not in use at all times, and where possible, making use of a password only known by the Client as again FXLINK Corporation may rely on the use of the Platform as signaling trades carried out by the Client.
3. Unless a different agreement is made with FXLINK Corporation, the Client (and the Authorized Representatives, as applicable) shall send all orders relating to a Service provided by FXLINK Corporation under this Agreement (the "Orders") using the Platform in accordance with any terms or instructions relating to the use of the Platform, which may be published on the Website. Where FXLINK Corporation agrees to act upon an Order transmitted by phone or in writing, it shall be regarded as doing so on the basis that: (i) the price or the exchange rate (the "Price") at which the relevant Contract would be entered into is the Price quoted by FXLINK

Corporation as displayed on the Platform or otherwise, and any such Order will be for a Contract to be entered into at such Price; and (ii) FXLINK Corporation will process the Order by entering the relevant Contract into the Platform trading system using the Access Codes provided by the Client (or the Authorized Representatives, as applicable), in each case unless a different intention is expressly and clearly stated by FXLINK Corporation in writing.

5.4 Where FXLINK Corporation accepts an Order transmitted by phone, it shall be regarded as doing so on the basis that:

(i) FXLINK Corporation believes in its exclusive judgment to be in a position to identify the Client (or the Authorized Representatives, as applicable) in accordance with its internal procedures, but FXLINK Corporation will not be liable for accepting an Order transmitted by an unauthorized person other than in case of gross negligence, wilful default or fraud; and

(ii) The Client is aware and agrees that the phone call will be recorded by FXLINK Corporation and the recording and any transcript of it will be accepted as conclusive evidence of the Order.

5.5 Any Order shall be treated as an offer from the Client to enter into a Contract subject to the provisions of Section 2.2. When the Client wishes to enter into a particular Contract, it may request a quote for such Contract from FXLINK Corporation either by accessing the Platform (where FXLINK Corporation quotes bid and ask Prices for such Contract by displaying them on the Platform during trading hours) or by submitting a verbal or written request to FXLINK Corporation (in any other case).

FXLINK Corporation may or may not accept an Order in its absolute discretion, except that may not refuse to fulfill an Order to close out an open trading position issued by the Client in accordance with this Agreement. FXLINK Corporation may also quote a new Price for a Contract, after receiving an Order, whenever it believes re-quoting is appropriate in consideration of market conditions or for any other reason. If FXLINK Corporation re-quotes the Price for a particular Contract, the original Order shall no longer be considered valid and binding and the Client may or may not send a new Order at the new Price quoted by us. The Client may revoke any Order at any time before acceptance by us, and FXLINK Corporation may delay the acceptance of an Order as it sees fit without giving notice to the Client and shall not be held liable to the Client for late acceptance of an Order. Any Order accepted by FXLINK Corporation shall be displayed as such on the Platform (if it relates to a Contract which may be traded on the Platform) and shall no longer be revocable by the Client.

5.6 The Client acknowledges and agrees that:

(i) FXLINK Corporation will quote Prices under this Agreement based on (but, for the avoidance of doubt, with no fixed or binding relationship with) the prevailing prices and rates at which an Underlying is traded on the interbank market or other financial markets which FXLINK Corporation regards as a reference market in consideration of trading volumes, bid-ask spreads and/or any other factor judged relevant by FXLINK Corporation;

(ii) the Prices quoted by FXLINK Corporation including bid-ask spreads may be changed by FXLINK Corporation at any time in its absolute discretion; and

(iii) FXLINK Corporation may discretionally set Margins and minimum or maximum size for each tradable Contract and may vary them at any time in its absolute discretion (provided that any

variation in minimum or maximum Contract size shall not retroactively apply to open trading positions).

5.7 The Client acknowledges and agrees that software engineering, telecoms, and electricity services affecting the use of the Platform are not under the control of FXLINK Corporation and that we shall not be responsible for:

- (i) Any error in the transmission of an Order;
- (ii) Any misinterpretation or mistake affecting an Order sent through the Platform (including technical and/or mechanical damage);
- (iii) Any access to Client data by unauthorized persons;
- (iv) The Client's inability to access or use the Platform at any time; and
- (v) More generally, any loss or damage incurred or suffered by the Client as a result of failures in the services supplied to FXLINK Corporation by software engineering, telecom and electricity service providers; in each case, unless there is evidence given by the Client that this was caused by the gross negligence, wilful default or fraud of FXLINK Corporation. In such circumstances, FXLINK Corporation will only be liable for damages or losses suffered or incurred by the Client which the Client proves to be the direct consequence of such gross negligence, wilful default or fraud (subject to Section 10). FXLINK Corporation shall be responsible for the regular updating of the Platform software.

5.8 The Client and FXLINK Corporation acknowledge and agree that:

- (i) Any Contract which may be entered into under this Agreement will be a spot contract for differences ("CFD") in nature relating to an Underlying listed on the website; and
- (ii) Under a CFD (a) neither FXLINK Corporation nor the Client may acquire any interest in or right to acquire or be obliged to sell, purchase, hold, deliver or receive an Underlying and (b) the rights and obligations of each party are principally to make and receive payments as provided for by or under this Agreement.

Except for the case of fraud, FXLINK Corporation shall not be liable for any loss or damage suffered by the Client as a result of the reliance of the Client on a Price which the Client knew, or ought reasonably to have known, to be materially incorrect.
